

APPLICANT DETAILS

FULL NAME: _____ ISACA ID: _____
EMAIL: _____ PHONE NUMBER: _____

STEP 1. PASS EXAM

CISA applicants are required to have passed the CISA exam in the last five years.
If you have not yet passed the CISA exam, you can register online at www.isaca.org/examreg

EXAM PASS YEAR: _____

STEP 2. REPORT WORK EXPERIENCE

To qualify for CISA, you must have 5 years of information systems auditing, control, assurance or security work experience within the past 10 years of the application submission date. This experience must be in at least one CISA Job Practice Domain Area, available to view on page V-2. If you do not meet the 5-year experience requirements within Section 2A, you may also opt to submit waivers for experience in section 2B and/or 2C (up to a maximum of 3 years).

Section A: Information Systems Audit, Control, Assurance or Security Work Experience (required)

Please list related work experience you are claiming below, beginning with your current or most recent position.
Do not leave dates blank. If you are currently employed, please use the current date for the End Date.

#	Company Name	Dates of Employment (MM/YY)		Duration of Experience performing CISA tasks		CISA Job Practice Domains (check all that apply)				
		Start Date	End Date	Years	Months	1	2	3	4	5
1										
2										
3										
4										

(minimum 2 years required) **SECTION A EXPERIENCE TOTAL:** _____

Section B: General Work Experience Waiver (optional)

To apply for a waiver in general information systems or general audit work, please fill out the details below. Must be minimum one year to qualify. This experience can not have been earned during dates of employment already claimed in Section A.

Type of Experience Waiver (Select one if applicable) General Audit General Information Systems
COMPANY: _____ START DATE: _____ END DATE: _____
(maximum 1 year) **SECTION B EXPERIENCE TOTAL:** _____

Section C: Education Experience Waivers (optional)

To apply for an education experience waiver, check the appropriate box below and enter the school information, if applicable.

*Attach a copy of your degree, transcript or letter from your college or university with the application.

**Attach a copy of your CIMA or ACCA certificate with the application.

- 1-year waiver for an associate degree
- 2-year waiver for a bachelor's, master's or doctorate degree in any field of study
- 3-year waiver for a master's degree in Information Systems or a related field *
- 2-year waiver for CIMA – Chartered Institute of Management Accountants, full certification **
- 2-year waiver for ACCA member status from the Association of Chartered Certified Accountants **

SCHOOL NAME: _____ FIELD OF STUDY: _____
(maximum 3 years) **SECTION C EXPERIENCE TOTAL:** _____

Section D: Experience Total

Total experience from Sections A, B & C must be 5 years or more to apply for CISA certification

(Section A + Section B + Section C) **TOTAL EXPERIENCE:** _____

Please use Adobe Reader when filling out this application electronically.

STEP 3. VERIFY WORK EXPERIENCE

Using the Experience Verification Form (pages V-1 & V-2 of this application), please ask an employer to verify all experience in Step 2. If more than one verifier is needed, you [may fill out an additional application form \(pages V-1 and V-2 are only needed\)](#).

For a certificate or degree claimed in Section C, please submit a copy of the certificate, degree, or transcript.

STEP 4. SUBMIT APPLICATION PROCESSING PAYMENT

All applicants must pay a US \$50.00 Application Processing Fee before the application can be fully processed.

Payment can be made at: www.isaca.org/cisapay

STEP 5. REVIEW AND SIGN TERMS & CONDITIONS AGREEMENT

Continuing Professional Education (CPE) Policy

I hereby apply to ISACA for the Certified Information Systems Auditor (CISA) certification in accordance with and subject to the procedures and policies of ISACA. I have read and agree to the conditions set forth in the Application for Certification and the Continuing Professional Education (CPE) Policy in effect at the time of my application, covering the Certification process and CPE policy.

Code of Ethics

I agree: to provide proof of meeting the eligibility requirements; to permit ISACA to ask for clarification or further verification of all information submitted pursuant to the Application, including but not limited to directly contacting any verifying professional to confirm the information submitted; to comply with the requirements to attain and maintain the certification, including eligibility requirements carrying out the tasks of a CISA, compliance with ISACA's Code of Ethics, standards, and policies and the fulfillment of renewal requirements; to notify the ISACA certification department promptly if I am unable to comply with the certification requirements; to carry out the tasks of a CISA; to make claims regarding certification only with respect to the scope for which certification has been granted; and not use the CISA certificate or logos or marks in a misleading manner or contrary to ISACA guidelines.

Truth in Information

I understand and agree that my Certification application will be denied, and any credential granted me by ISACA will be revoked and forfeited in the event that any of the statements or answers provided by me in this application are false or in the event that I violate any of the examination rules or certification requirements. I understand that all certificates are owned by ISACA and if my certificate is granted and then revoked, I will destroy the certificate, discontinue its use and retract all claims of my entitlement to the Certification. I authorize ISACA to make any and all inquiries and investigations it deems necessary to verify my credentials and my professional standing.

3rd Party Information Sharing

I acknowledge that if I am granted the Certification, my certification status will become public, and may be disclosed by ISACA to third parties who inquire. If my application is not approved, I understand that I am able to appeal the decision by contacting ISACA. Appeals undertaken by a Certification exam taker, Certification applicant or by a certified individual are undertaken at the discretion and cost of the examinee or applicant. By signing below, I authorize ISACA to disclose my Certification status. This contact information will be used to fulfill my Certification inquiries and requests.

Contact Policy

By signing below, I authorize ISACA to contact me at the address and numbers provided and that the information I provided is my own and is accurate. I authorize ISACA to release confidential Certification application and certification information if required by law or as described in ISACA's Privacy Policy. To learn more about how we use the information you have provided on this form, please read our Privacy Policy, available at www.isaca.org/privacy

Usage Agreement

I hereby agree to hold ISACA, its officers, directors, examiners, employees, agents and those of its supporting organizations harmless from any complaint, claim, or damage arising out of any action or omission by any of them in connection with this application; the application process; the failure to issue me any certificate; or any demand for forfeiture or re-delivery of such certificate. Notwithstanding the above, I understand and agree that any action arising out of or pertaining to this application must be brought in the Circuit Court of Cook County, Illinois, USA, and shall be governed by the laws of the State of Illinois, USA.

I understand that the decision as to whether I qualify for certification rests solely and exclusively with ISACA and that the decision of ISACA is final.

I have read and understand these statements and I intend to be legally bound by them.

APPLICANT SIGNATURE: _____

DATE: _____

STEP 6. SUBMIT APPLICATION

Please submit your application, additional verification forms (if needed) and any supporting document online at <https://support.isaca.org/app/ask>

Select **Certifications & Certificate Programs** and **Submit an Application**.

Submitted applications take approximately two-to-three weeks to process. Upon approval, you will be notified via email. A certification packet, including a letter of approval, a CISA Certificate, and a metal CISA pin, will be sent to you via postal mail to the primary address in your ISACA Profile. Please allow four-to-eight weeks for delivery.

CISA Experience Verification Form

CISA Exam Passers June 2019 and Later

Please use Adobe Reader when filling out this application electronically.

APPLICANT DETAILS

APPLICANT NAME: _____ ISACA ID: _____

FORM INSTRUCTIONS

The applicant (named above) is applying for CISA certification through ISACA. ISACA requires the applicant's work experience to be independently verified by a supervisor or manager with whom they have worked. Verifiers cannot be immediate or extended family, nor can they work in the Human Resources department.

By completing this form, you are attesting to the applicant's work experience as noted on their attached application form (page A-1) and as described by the CISA Job Practice Domains and task statements (page V-2).

Please return this verification form to the applicant for their submission. For any questions, please contact ISACA at <https://support.isaca.org> or +1.847.660.5505.

VERIFIER DETAILS

VERIFIER NAME: _____

COMPANY NAME: _____ JOB TITLE: _____

EMAIL: _____ PHONE NUMBER: _____

VERIFIER QUESTIONS

1. I am attesting to the following work experience earned by the applicant as indicated on page A-1
(check all that apply):

☐ Section A: Company 1
☐ Section A: Company 2

☐ Section A: Company 3
☐ Section A: Company 4

2. I am attesting to the following waivers as indicated on page A-1, sections B and C (check all that apply):
☐ Section B: Work Experience Waiver ☐ Section C: Educational Degree

3. I have functioned in the following role(s) to the applicant (must check at least one to qualify):

☐ Supervisor

☐ Manager

☐ Colleague

☐ Client

4. If I am attesting to any experience earned in Section A, I can attest that the applicant has completed any or all tasks in the Job Practice Domain(s) indicated on page A-1 and V-2, and that they are correct to the best of my knowledge.

☐ Yes

☐ No

VERIFIER AGREEMENT

I hereby confirm that the information on page V-1 and V-2 is correct to the best of my knowledge and there is no reason this applicant should not be certified as an information systems auditor. I am also willing, if required, to answer questions from ISACA about the above information.

JOB PRACTICE DOMAIN INSTRUCTIONS

Please check the box next to the domain in which any or all tasks have been completed by the applicant.

DOMAIN 1 - Information System Auditing Process

Task Statements:

- Plan audit to determine whether information systems are protected, controlled, and provide value to the organization.
- Conduct audit in accordance with IS audit standards and a risk-based IS audit strategy.
- Communicate audit progress, findings, results, and recommendations to stakeholders.
- Conduct audit follow-up to evaluate whether risks have been sufficiently addressed.
- Utilize data analytics tools to streamline audit processes.
- Provide consulting services and guidance to the organization in order to improve the quality and control of information systems.

DOMAIN 2 - Governance and Management of IT

Task Statements:

- Evaluate the IT strategy for alignment with the organization's strategies and objectives.
- Evaluate the effectiveness of IT governance structure and IT organizational structure.
- Evaluate the organization's management of IT policies and practices.
- Evaluate the organization's IT policies and practices for compliance with regulatory and legal requirements.
- Evaluate IT resource and portfolio management for alignment with the organization's strategies and objectives.
- Evaluate the organization's risk management policies and practices.
- Evaluate IT management and monitoring of controls.
- Evaluate the monitoring and reporting of IT key performance indicators (KPIs).
- Evaluate whether IT supplier selection and contract management processes align with business requirements.
- Identify opportunities for process improvement in the organization's IT policies and practices.
- Evaluate potential opportunities and threats associated with emerging technologies, regulations, and industry practices.
- Conduct periodic review of information systems and enterprise architecture.
- Evaluate the information security program to determine its effectiveness and alignment with the organization's strategies and objectives.
- Evaluate whether IT service management practices align with business requirements.

DOMAIN 3 - Information Systems Acquisition, Development and Implementation

Task Statements:

- Evaluate whether the business case for proposed changes to information systems meet business objectives.
- Evaluate the organization's project management policies and practices.
- Evaluate controls at all stages of the information systems development lifecycle.
- Evaluate the readiness of information systems for implementation and migration into production.
- Conduct post-implementation review of systems to determine whether project deliverables, controls, and requirements are met.

DOMAIN 4 - Information Systems Operations and Business Resilience

Task Statements:

- Evaluate IT operations to determine whether they are controlled effectively and continue to support the organization's objectives.
- Evaluate IT maintenance practices to determine whether they are controlled effectively and continue to support the organization's objectives.
- Evaluate database management practices.
- Evaluate data governance policies and practices.
- Evaluate problem and incident management policies and practices.
- Evaluate change, configuration, release, and patch management policies and practices.
- Evaluate end-user computing to determine whether the processes are effectively controlled.
- Evaluate the organization's ability to continue business operations.
- Evaluate policies and practices related to asset lifecycle management.

DOMAIN 5 – Protection of Information Assets

Task Statements:

- Evaluate the organization's information security and privacy policies and practices.
- Evaluate physical and environmental controls to determine whether information assets are adequately safeguarded.
- Evaluate logical security controls to verify the confidentiality, integrity, and availability of information.
- Evaluate data classification practices for alignment with the organization's policies and applicable external requirements.
- Perform technical security testing to identify potential threats and vulnerabilities.
- Evaluate potential opportunities and threats associated with emerging technologies, regulations, and industry practices.
